Recognizing and solving problems vocabulary

These are some words we can use to talk about problems.
Remember you can use them in any tense.

Recognizing/solving problems	Aggravate	Avoid
	Cause	Deal with
	Identify	Ignore
	Run into	Solve
Belief	**Certain**	**Not certain**
	Be certain	Assume
	Be positive	Bet
	Be sure	Doubt
	Know for a fact	Figure
		Guess
		Have a hunch
		Suppose
		Suspect

Examples:

I **aggravated** a problem by **ignoring** it.

I don´t know how to **deal with** all the security problems in the city.

I **am certain** that I will pass this course.

I **have a hunch** I will get a good score.
